# Earth LISTENING CIRCLE

**A sacred space to reconnect—with Nature,  
each other, and ourselves.**

Join us in a circle of deep listening, reflection, and shared presence. Together we'll tune in to the wisdom of the Earth, feel our connection, and explore what it means to live in harmony with Life.

We'll make space for grief, for gratitude, and for the future we long to co-create—one breath, one story, one circle at a time.

🕊️ All are welcome. No experience needed.
